Please fill in your full name, date of birth and your display name in the form below.

Please note that the names as they appear on the WESPA ratings list happen to be limited to 20 characters of length. If you already have a WESPA rating, please enter the name exactly as it appears in the ratings list in that field. If you don't have a WESPA rating, We strongly recommend that **the display name should be your first and last name**. In some cases such as De Silva or De Almeida the last name itself is made up of two components so having three names entered into the display name field would be fine. If your first name and last name are longer than 20 characters please truncate it accordingly

Only players born on or after the 1st of January 2007 are eligible to register for the World Youth Scrabble Championship.

You only need to fill this form once. There after you can easily enroll in the WYSC, the WYSC side tournament or the Sri Lanka International Open.
